

Friday 8th May 2026

Dear Families,

There has been so much happening in school over the last couple of weeks here is an update.

Our Year 6 children have completed their final SATs club this week and are now preparing for their SATs next week. They have worked incredibly hard throughout their time in the club, and we are all rooting for them to do their best. The dedication and effort they have shown has been truly impressive, and we cannot wait to celebrate their achievements with them. A breakfast club for Year 6 children will take place Monday – Thursday next week from 8:30am where the year 6 children are invited to come and have breakfast with their peers before the tests.

Rydal class have been thoroughly enjoying their forest sessions at Branch Out. The children have been introduced to lots of new games, learnt about a variety of plants, and have even had the opportunity to cook outdoors. Mrs Greenwood shared that it has been wonderful to see them engaging so enthusiastically with the natural environment.

Our Rock Steady Music bands have been ‘jamming’ with sessions taking place each Thursday. The children are really enjoying the experience, and we are looking forward to showcasing their talents at an end of year concert in July. If you would still like your child to sign up, please do get in touch with our school office.

I would like to take this opportunity to celebrate some wonderful achievements of our year 3 and 4 children. Yesterday, Mrs Greenwood, Miss Holmes and Mrs Grant took three teams of children to the Eden Valley tennis match. The children thoroughly enjoyed taking part, and we are delighted to share that one of our teams won the overall tournament! A huge thank you to the family members who supported us by helping walk the children to and from the event.

Last week, we held our first ever colour run which was enjoyed by everyone. I am thrilled to report that we raised an amazing £925.00! Combined with the funds from our Easter Bingo and a generous donation from the Lions, this will enable us to take the whole school on an end of year visit to Lytham St Annes – something we are very much looking forward to. A big thank you to Bell's of Lazonby for their kind donations of cakes and to Mr and Mrs Peart for providing the hot dogs. Of course, none of this would have been possible without the support of our families, who sponsored the children, attended the event and purchased coloured powder and refreshments. Thank you for your support with this.

Our Year 5 and 6 children will be visiting Borough Castle as part of their history topic. Year 6 will visit on Friday 15th May and Year 5 on Monday 18th May. A letter with full details will follow next week. The children will walk to and from the castle, there is no cost involved however children will need a packed lunch and sensible footwear on these dates.

Looking ahead, please watch out for a letter coming out next week regarding Year 6 leavers hoodies.

Finally, we are renovating the garden area outside Crummock and Grasmere class and would be very grateful for any families who might be available to help move some garden paving stones on Tuesday afternoon. We are aiming to develop this space into an outdoor classroom, and your support would be greatly appreciated.

We hope you have a wonderful weekend and we look forward to seeing you all on Monday.

Nicole Spibey
